EDUCATION AND TRAINING

Degree in Foreign Languages and Literatures (English) awarded in academic year 1971-72 CATANIA.

In November 1975 he obtained a teaching qualification in Palermo for the English language in school and in 1978 was appointed professor with permanent contracts.

WORK EXPERIENCE

From the month of June 1972 to September 1973 he fulfilled his military service.

He served as Professor of English in “Scuola Media” from 1973 with permanent contracts. In September 1, 2009 he retired from the state school with 40 years and eight months of service.

In 1975 he was appointed Professor of English by the administrator of studies in Caltanissetta, in the Social Centre of Continuing Education.

The course was attended by professionals and primary school teachers. In the school year 1980, and later, he served as commissioner for technical high school final examinations in Catania and Riposto(CT).

In 1981 and 1982 he was appointed by the Regional School Superintendent Commissioner of Palermo in two courses of English language teaching qualification in Syracuse and a year later, in the site of Ragusa, the competition commissioner to chair of the English language.

In 1985 he served as professor of English language, a course for the "traffic police", sponsored by the City of Augusta and held at the local Italo British Institute who oversaw the organization.

WORK EXPERIENCE

In 1986 and 1987 he was professor of English, in a technical course for the industrial sector, with the company "Aprile" in Augusta. The course was attended by technicians and craftsmen.

From 1988 to 1990 he served as an English teacher in the technical course to address physician-scientist at the Orthopedic Institute "Villa Salus" of Augusta(SR). The course was attended by doctors, technicians, musicians, nurses and staff at the hyperbaric chamber.

He was Commissioner of English language examinations for employees who deal with the shipping port of the "Maritime Radio Post" of Augusta(SR).

From 1991 to 1995 he was called many times by various organizations including the CISL school in Syracuse, to conduct courses in preparation for state exams in the English language and literature.

He edited the English translations of various cases of child adoption. As consultant he took care of various cases related to pensions CANADIAN OLD AGE PENSIONS and income tax returns for the Canadian Consulate.

From February 2007 to July 2008 he worked as a consultant and lecturer in English with the "Mediterranean Shipping Agency," a company operating in Augusta(SR) Port.

From February 2008 to March 2009 he kept a sea-technical course for employees of multinational company "Saybolt" at the Garden City in the district of Syracuse .. In May 2008 he published his own text-sponsored multinational company "Saybolt entitled "Essential Grammar for Maritime Operators".

In school year **2008-09**, was appointed professor of English literature and language for 5 (five) hours per week for class 5 high school Language Institute parity "SAVOIA" of Catania and the same assignment was confirmed over the years school year **2009-2010; 2010/2011**.

In the school year **2011/2012** he held the position of English teacher for three courses, 40 hours each course, at the CIAFORAM of Enna (EN) Regional Vocational Training Institute for 150 hours and again at the same

institution but in Acireale (CT).

In the school year **2012/2013** he held the position of English teacher "for tourism" in a 20-hour course at the CIAFOPRAM of Piazza Armerina (EN), Organization Regional Professional Training and a 150 hour course at the same institution but in the seat of Acireale (CT), distributed as follows:

35 hours (conversation), 35 hours (listening);
35 hours (reading), 35 hours (grammar).

In March 2009 he published his own text "A Short History of English Literature from Romanticism to the Twentieth Century." He also published the "Essential Grammar of the English Language" with the support of 1st Comprehensive School "Prince of Naples" Augusta (SR) and its associated PON.
