

MOBILITY AGREEMENT
between
THE UNIVERSITY OF CATANIA - Italy
and
THE HEBREW UNIVERSITY OF JERUSALEM, Israel
FACULTY OF DENTAL MEDICINE

1.PURPOSE

The objective of this agreement is to establish specific cooperation between the above mentioned Universities. This agreement establishes the exchange of undergraduate, postgraduate, doctoral students and professors and researchers between the partner institutions.

Activities	Number UNICT outgoing mobilities	Period for each mobility	Number of THE HEBREW UNIVERSITY outgoing mobilities	Period for each mobility
Visiting students for study	2	<i>6 Months</i>	2	<i>6 Months</i>
Visiting students for traineeship	1	<i>6 Months</i>	1	<i>6 Months</i>
Visiting professors	1	<i>7 Days</i>	1	<i>7 Days</i>
Visiting researchers	1	<i>7 Days</i>	1	<i>7 Days</i>

2.STUDENTS EXCHANGE

The purpose of each student exchange is to enable undergraduate, postgraduate and doctoral students to undertake study, traineeship or research periods abroad. During their period, students are allowed to participate in clinical activities, but they cannot directly treat any patients in Dental School as the first operator.

Students are expected to fulfil the degree requirements of their own university as outlined in their own educational program. It is the responsibility of each participant in the exchange to obtain official approval by the home institution for the study/training activity to be performed at the host institution.

According to the availability of suitable candidates, the University of Catania and The Hebrew University of Jerusalem-Faculty of Dental Medicine will send and receive students for a limited time of period during the academic year or for a semester for the minimum length described in the following scheme:

Level	Study/Thesis (months)	Traineeship (months)
Undergraduate	3	1
Postgraduate	3	2
Doctoral and Specialization schools	1	1

Student's mobilities may not be extended beyond the maximum exchange period. Any extension of stay must be approved by both participating institutions. In any given year, either university may reduce the amount of student exchanges, incoming or outgoing, on the basis of mutual reciprocity.

3.PROFESSORS/RESEARCHERS EXCHANGE

According to the availability of suitable candidates, the University of Catania and The Hebrew University of Jerusalem- Faculty of Dental Medicine will send and receive professors/researchers for visiting periods. In any given year, either university may reduce the amount of professor/researcher exchanges, incoming or outgoing, on the basis of mutual reciprocity.

4.SELECTION OF STUDENTS AND PROFESSORS/RESEARCHERS

Each institution is in charge of selecting students, professors and researchers, according to internal rules. In accordance with applicable law, the host institution reserves to our departments the right to exclude students from restricted enrolment program, courses, or modules. Every academic year the host department will notify home institutions of any restrictions.

5. RESPONSIBILITIES OF THE PARTICIPATING INSTITUTIONS

In accordance with this agreement, University of Catania and The Hebrew University of Jerusalem-Faculty of Dental Medicine agree to enroll students as "exchange students" for a limited time of period during the academic year. The host department will provide exchange students, professors and researchers with access to services and assistance to support their exchange experience.

University of Catania and The Hebrew University of Jerusalem- Faculty of Dental Medicine will ensure equality of opportunity for all incoming students, professors and researchers, including reasonable adjustments where necessary. Any specific student requirement will be communicated to the host institution at the time of nomination.

In the event of complaints and/or appeals, the regulations of the host institution will be followed. However, there will be collaboration between both institutions and the student to come to a mutual solution.

The host department will provide the home institution with transcripts and other relevant documents indicating courses and examinations taken and grades assigned as soon as reasonably practicable following the conclusion of the student's participation in the exchange program. Grading shall be the responsibility of the host department in accordance with its policies and recognition procedures.

The modalities regarding researcher and/or teacher training are strictly subject to the regulations currently in effect in each of the partner institutions, especially in the event of clinical training.

6. FINANCIAL RESPONSIBILITY OF PARTICIPATING INSTITUTIONS

Each exchange student shall be provided, without further payment to the host institution, with:

- Tuition fee waiver
- Guidance and Programs Induction by the host department
- Welcome and support by the host department
- Copy of transcript released by the host department

7. FINANCIAL RESPONSIBILITIES OF BENEFICIARIES

Each student/professor/researcher participating in the exchange programs shall meet the full-costs related to:

- Travel documents and visas
- Travel to and from the host country
- Living and subsistence expenses
- Accommodation fees at the host institution
- Cost of health insurance at the host institution (if required)
- Non-tuition course related fees, including book and academic supplies, study materials costs, lab fees, field trip and excursion fees
- All other debts, fines or financial penalties incurred during the course of the exchange.

Therefore exchange students will only pay tuition-related fees to their home institution and will be waived of tuition fees at the host institution.

All students/professors/researchers will abide by the policies, procedures, rules and regulations of the host institution during the period of the exchange.

University of Catania and The Hebrew University of Jerusalem- Faculty of Dental Medicine agree to respect the privacy regulations adopted by both institutions.

8. TERMS OF AGREEMENT AND AMENDMENT

University of Catania and The Hebrew University of Jerusalem-Faculty of Dental Medicine shall undertake all reasonable measures to give maximum effect to this exchange program. This agreement shall remain in force for a period of five (5) years from January 2021, provided that it may be revised, terminated or suspended giving six (6) months written notice to the other partner and that any such termination shall be without detriment to students/professors/researchers already undertaking an exchange mobility under this agreement. Such action will only be taken after mutual consultation and both parties shall agree on any measures that may be necessary to ensure this outcome.
